

FIRST TIME AT JOURNEY?

Here's some information about today's experience you may find helpful.

Don't worry if you can't find the hymnals or the organ. There aren't any. Instead, we're committed to using a full expression of the arts in our worship experiences. On any given Sunday you will encounter a band, upbeat music, multi-media, drama and visual artists as part of the experience. Our weekend worship experiences are designed to present basic Biblical truths and show how they apply to our everyday lives.

Don't feel obligated to give. As our guest, we want you to sit back and relax. Our time of giving back to God is for our regular attendees and members who consider Journey their home.

It's okay to fill out the communication card included in the program. No one will sell your name to some insurance company in Duluth or try to meet your cleaning product needs. It simply helps us understand who we are serving and how we can do it better. You can return the card during the time of Giving Back To God or drop it off at the resource table and receive a free copy of today's message. Each Sunday, as you return, simply put the date, your name and check mark your status.

If your kids stay with you in the Worship Experience... they are really missing out! We have loving caregivers for infants, a quality program for pre-school age kids and an exciting worship experience for kids grades K-5.

Loving God...Loving People...Linking Them Together

HOW DO I...

...worship when I don't know the songs? Don't worry. We usually sing each at least two times. We didn't know these songs at first either.

...get prayer for something specific? You may list your prayer need on the back of your communication card. Simply check "Confidential" or "For Prayer Ministry Team" to appropriately direct your request. You can also take advantage of the prayer corner at the back left-hand corner of the room before, after and during Worship.

THANK YOU!

WOW! What a neat gift I found in my mailbox here at school. After many years working here at Collins this is one of the most thoughtful gifts I have ever received. Thank you so much!

I would like to thank you for your goodie bag. It was so very thoughtful. Most of all, being a born again Christian, I know that you are praying for us. We have a tough job and the lives of children that we can love and grow with the strength that Christ gives us. Please know that you are always welcome in my classroom. If you would like to be a guest reader in my classroom (first grade) I would love to open my door to you. Thanks again for your prayers. May God continue to bless your ministry.

Thank you for the teacher goodie bag and all you have done for our students to help them begin a school year on a positive note with school supplies. I know that our students will benefit greatly from the tutoring program you are beginning. I look forward to seeing you and working with you to help build our children's future. Your efforts are greatly appreciated.
