FIRST TIME AT JOURNEY?

Here's some information about today's experience you may find helpful.

Don't worry if you can't find the hymnals or the organ. There aren't any. Instead, we're committed to using a full expression of the arts in our worship experiences. On any given Sunday you will encounter a band, upbeat music, multi-media, drama and visual artists as part of the experience. Our weekend worship experiences are designed to present basic Biblical truths and show how they apply to our everyday lives.

Don't feel obligated to give. The Bible says no one should feel forced to give or give in response to sob stories and arm twisting. (2 Corinthians 9:7) Journey is a member and attendee supported faith community.

It's okay to fill out the communication card included in the program. No one will sell your name to some insurance company in Duluth or try to meet your cleaning product needs. It simply helps us understand who we are serving and how we can do it better. You can return the card during the time of Giving Back To God or drop it off at the resource table and receive a free copy of today's message. Each Sunday, as you return, simply put your name and mark your status.

If your kids stay with you in the Worship Experience... they are really missing out! We have loving caregivers for infants, a quality program for pre-school age kids and an exciting worship experience for kids grades K-5.

Loving God...Loving People...Linking Them Together

HOW DO I...

...worship when I don't know the songs? Don't worry. We usually sing each at least two times. We didn't know these songs at first either.

...get prayer for something specific? You may list your prayer need on the back of your communication card. Simply check "Confidential" or "For Prayer Ministry Team" to appropriately direct your request.
