MAP

We want to be intentional about the activities and opportunities we promote. Our lives are already busy, we don't need more "stuff" to do.

Journey has three types of activities. Look for the letter after each update to see how that event fits into your spiritual life.

[M] Missional Living

We will pursue a lifestyle of outward-focused living; exemplified by acts of service, generosity, and loving-kindness to all.

[A] Authentic Community

We value relationships marked by honesty, encouragement, acceptance, accountability and unconditional love.

[P] Personal Wholeness

Personal wholeness will be realized as we individually seek to live in healthy relationships with ourselves, with God, and with others.

Next Sunday: The Glovers

Next Sunday Journey will host Adam and Kathy Glover along with their newly discovered family members. Kathy was adopted at 6 months and did not know she had biological family in Northern Kentucky. The Glovers speak and sing about hope, healing and restoration for today's families. Their focus is helping families move out of darkness created by hidden secrets of the past. They will be speaking, singing and reuniting with their newly found family.
